### **House and Leisure Best of SA Awards**

We are proud to announce that we won SA's best Spa at the House and Leisure magazines Best of SA awards.

What was very encouraging as far as Kwazulu Natal was concerned was that of the four categories three were won by venues in Kwazulu Natal. Our Province has always struggled to attract the main stream of tourists to this country however now with many quality venues all within close proximity of one another maybe things will change.

Winning the award was extremely encouraging and seeing the competition that we were up against somewhat surprising. There are a lot of quality Spa's in the country some of which are out of this World. This award however was voted by the Readers and Public and perhaps it is Value that people are looking for?

I have attached a press release for more information if at all interested.

The Winners Were:

- 🏆 Top Hotel - THE OWNER'S COTTAGE AT GRANDE PROVENCE (Franschhoek, Western Cape)
- 🏆 Top Spa in SA - FORDOUN (KwaZulu Natal)
- 🏆 Top Restaurant in SA - HARTFORD HOUSE (Kwazulu Natal)
- 🏆 Top Lodge - PHINDA'S HOMESTEAD LODGE (Zululand, Kwazulu Natal)
